

MA/MS Degree in History and Information Sciences: Coursework Checklist

Student Name _____ **Advisor** _____

Total hours: **56 total credit hours**: 28 course hours in each program; no more than 12 hours can double count (the credit hours are not double counted, just the course).

History Requirements (28 credit hours in history; no more than 12 hours can double count):

HIST 593: Approaches and Methods _____

HIST 594: Introduction to Historical Writing _____

Two 4-credit History courses in *one* of the [graduate fields of specialization](#) established by the department or a constructed field approved by the department: _____

-- 4 credits at the 500-level _____

-- 4 credits as a "research seminar" _____, in addition to HIST 594

Elective course work in consultation with an advisor who is a member of the History Department. These may include approved coursework in related disciplines, courses on topics of interest and relevance to you, and, if you wish to write a Master's thesis (which is optional) up to 8 hours of HIST 599.

Language Requirement: Students must demonstrate competency--either through graduate level course work or departmental exam--in one foreign language appropriate to the main field of study. *Credit hours from language courses do not count towards the 56 required credit hours.*

NOTE:

- Students in the joint degree must be registered in each program for at least one semester:

- Students must maintain a minimum GPA of 3.25.

- Expected date of completion _____
